Health Guarantee

This *Limited Health Guarantee* covers the cost of the puppy only. The breeder is not responsible for any associated charges such as shipping and veterinarian fees. Buyer agrees to have this puppy examined by a licensed veterinarian *within 72 hours* of possession for a complete health check up. Once the puppy has been verified healthy, the breeder assumes no further responsibility for the condition of the puppy since the care of the puppy is now out of our control. The buyer now assumes responsibility to carry on with the appropriate care and feeding and schedules vaccinations.

Genetic Disorders

In the event that this puppy is found to have a serious and life threatening genetic defect (i.e. heart, lungs, and kidneys) within six months of this puppy's date of birth, the breeder will require a written report from

a licensed veterinarian with proof of the disorder. Once the major problem has been determined and return of this puppy is desired and agreed upon by both parties, a replacement puppy of comparable value will be given to the buyer as long as all terms of this contract have been followed and this puppy along with all AKC registration and aforementioned veterinarian results and records are returned to the seller. If a replacement puppy is not available at that time, buyer will be notified immediately when a comparable puppy is available. **No cash refunds** will be given, *only a replacement puppy*. Any and all veterinarian expenses incurred determining the problem/health status of this puppy will always be the sole responsibility of the buyer and no refunds or reimbursements will be expected from the seller. If the puppy is to be returned to the seller, shipping is the sole responsibility of the buyer and no reimbursements will be expected from the seller. Shipping of the replacement puppy will also be the responsibility of the buyer. Seller will provide a replacement puppy within 12 months of return of the puppy.

Please remember that *your new puppy is a **baby*** and should be treated like one. The changing of homes and leaving his/her friends and family is upsetting to the puppy, and it needs to have time to adjust to its new home. He/she will take frequent naps until he/she is acclimated to the new home. It is our hope that this puppy will be a happy addition to your family and it will be loved and cared for, and in return you will have many years of enjoyment. By accepting the above described puppy, the buyer will be bound to the provisions of this limited health guarantee.

By signing below, the buyer accepts all responsibility for the puppy's safety and well being from the point of leaving the seller's property. The seller will not be held responsible for any contagious or infectious diseases this puppy may be exposed to after leaving the breeder's property. Buyer agrees to continue the proper vaccinations and worming to insure the proper health of the new puppy. The breeder neither makes nor implies any warranties or guarantees other than those written in this agreement. This document constitutes the entire agreement between breeder and buyer with respect to this sale. The buyer's signature below indicates that he/she has read, agrees and does understand all the conditions of agreement on the contract of sale.
